JUDGMENT ENTRY

This matter came before the Court on October 13, 2021 upon William and Kathy Horner's Paternal Grandparents' Motion to Intervene (No. 438024) filed on January 22, 2021. Plaintiff filed a brief in opposition on February 3, 2021.

The Court finds after due consideration and for good cause shown the motion to intervene is DENIED.

The Court further finds that the Defendant currently resides with paternal grandparents and that through filings with the Court, the paternal grandparents demonstrate a lack of understanding of Defendant's diagnosed mental health condition.

The Court further finds that due to the foregoing, at this time, it would be against the children's best interest to grant the motion to intervene.

IT IS ORDERED ADJUDGED AND DECREED that the Paternal Grandparents' Motion to Intervene (No. 438024) is DENIED.

IT IS FURTHER ORDERED ADJUDGED AND DECREED that all remaining orders not modified herein remain in full force and effect.

Court costs to be paid by movants, William and Kathy Horner.

IT IS SO ORDERED.
